

the ZANFEL ZONE

Your Information Resource for Poison Ivy, Oak and Sumac

Volume 8, Issue 1

Welcome back to the Zanafel Zone! Spring is here and poison ivy, oak and sumac are poised to reappear in your yard, work site, hiking trail, and garden. We would like to help you be prepared for poison ivy, oak, and sumac season.

If you, or family members experience a poison ivy, oak, or sumac rash, Zanafel can be found in the first aid section of your local pharmacy.

6th Annual Poison Ivy Conference

Zanfel Laboratories was proud to sponsor and attend the 6th Annual Philadelphia Poison Ivy Conference. The conference was held in March 2018, at the Philadelphia Zoo.

Attendees learned about identification of poison ivy, poison ivy plant removal techniques, new poison ivy plant terminology, new poison ivy plant research, and effective treatment of poison ivy rash.

Zanfel Laboratories would like to thank Umar Mycka, Poison Ivy Horticulturist, for producing a world class

event where we learned so much about the nature of poison ivy!
